

## FLOOR PLANS

# Enhanced Assisted Living & Memory Care

Our community presents a just-like-home atmosphere, emphasizing the most important component of living arrangements - safety. Our community is designed specifically for those with Enhanced Assisted Living and Memory Care needs, providing not only an uncomplicated and easy-to-manuever physical floor plan with cozy décor, but also a safe haven. All residences are strategically designed for comfort, and can be personalized with items that are familiar and comforting.
